He expressed concern for pedestrians crossing and traffic not stopping. Kowalski received a quote in the amount of \$1400.00 per/sign.

Aldersperson Burdick stated that there is also a need for lighted crossing signs on West Fulton St.

Aldersperson Candy Davis who also serves as a school crossing guard at the intersection of Stoughton Rd and Elm Drive, expressed concerns that this location has no signage. Davis also suggested asking the School District if they would be willing to contribute to the cost of the signs.

Chief Kowalski and Municipal Services Director Howard Moser will work together to map out the locations with a high need for the lighted crossing signs.
