**AUGUST 10, 2021 JOINT COMMON COUNCIL AND
PLAN COMMISSION MEETING MINUTES
CITY OF EDGERTON**

Mayor Christopher Lund called the meeting to order for the City Council at 6:07 p.m.

Present: Sarah Braun (remote), Casey Langan (remote), Candy Davis, Paul Davis, and Jim Burdick.

Excused: Tim Shaw

Commission Chair Christopher Lund called the meeting to order for the Plan Commission at 6:07 p.m.

Present: Chris Lund, Jim Burdick, Paul Davis, Theran Springstead, Jim Kapellen, Julie Hagemann, and Ron Webb.

Others Present: City Administrator Ramona Flanigan, City Clerk/Treasurer Cindy Hegglund and a few citizens.

Hegglund confirmed the meeting agendas were properly posted on Friday, August 6, 2021 at the Post Office, City Hall, City website, and the Edgerton Library.

PUBLIC HEARING: The Council and Plan Commission held a public hearing to gather public input on the request by Ilir Banushi to amend the City of Edgerton Comprehensive Plan for a portion of the unplatted area north of Brailsford Junction Way and west of Dairyland Drive by changing the land use designation from Community Commercial (Planned Business in the 2015 Plan) to Mixed Residential (Multifamily in the 2015 Plan).

City Administrator Ramona Flanigan stated the land use designation is based on the 2007 North Gateway Neighborhood Development Plan which was also part of the 2015 adoption.

The proposed amendment shifts the boundary between residential land uses and commercial land uses west, thus reducing the amount of planned commercial area and increasing the amount of residential area in the neighborhood. At the time of creation of the Neighborhood Plan, the demand for “brick-and-mortar” commercial space was greater than it is today. For this reason, staff recommends the City approve the proposed amendment.

Pete Weston, design engineer for the petitioner, stated he is available for any questions.

Anette Murwin, 54 US Hwy 51, stated she is present to find out what type of development is being proposed, who it will be marketed to, and what quality of development it will be.

Julie Olson, 34 US Hwy 51, stated they have a fully functioning farm right next to this property. She would like to know what the plans are for stormwater, parking, and green space.

Tim Krause, 34 US Hwy 51, he also asked where the stormwater will be going.

City Administrator Ramona Flanigan informed the attendees that this specific public hearing is for amending the Comprehensive Plan, not the development plan. There is a second public hearing

tonight, after this meeting, that will address the development and many of the questions that have been asked.

Hearing no further comments, the Mayor closed the public hearing.

PLAN COMMISSION ACTION ON RESOLUTION 17-21: A Jim Kapellen/Ron Webb motion to adopt City of Edgerton Resolution 17-21: Recommending the amendment to the City of Edgerton Comprehensive Plan for a portion of the unplatted area north of Brailsford Junction Way and west of Dairyland Drive passed on a 7/0 roll call vote.

Memo

To: Common Council
From: Staff
Date: 8/10/2021
Re: August 16, 2021 Meeting

Application for a Facade Grant for 11 Henry St: The owners of 11 Henry Street (C&M Printing) are requesting approval of a façade grant to repair stucco on the building. The one bid is for \$2,200. The Historic Commission Chair has approved the color. The Supersized 50% facade grant amount would be \$1,100.

Application for Facade Grant for 102 W Fulton St: The owners of 102 W Fulton Street (C&M Printing) are requesting approval of a façade grant for tuckpointing the chimney. The one bid is for \$6,300. The Supersized 50% facade grant amount would be \$3,150.

Application for Facade Grant for 102 and 104 W Fulton St: The owners of 102 and 104 W Fulton Street (C&M Printing) are requesting approval of a façade grant to replace 2 upper floor windows that face Henry Street and one ground floor, storefront window (104 W Fulton). The upper windows will fill the brick openings and will appear as if they are double hung. The lower window will be the same size as the existing window. The trim will be the same color as the existing trim and has been approved by the Historic Commission Chair. The one bid is for \$3,410. The Supersized 50% facade grant amount would be \$1,705.

Revive Edgerton Bid Policy: The program policy requires applicants provide at least two bids. While we will still recommend applicants have two bids, it is very difficult to obtain bids for some work and the two-bid requirement may dissuade people from applying.

GENERAL DESCRIPTION

Address: SE Corner of Jacobus and Edgerton Roads, , Section 34 in the Town of Albion

Applicant: Ellifson

Parcel Sizes: 1.01 acres and 3.53 acres

Description of Request: create one lot

STAFF REVIEW COMMENTS

Staff has reviewed the petition for planning issues in accordance with the Edgerton Master Plan and has the following comments:

1. The proposed land division is within the City of Edgerton's extraterritorial zone. Therefore, the City has land division review authority.
2. The petitioner proposes to create one additional lot for development. This lot already contain a single-family house in a developed area in the Town of Albion. This parcel is very close to the City boundary, which is concerning in that development in the Town near the City border could inhibit logical City Expansion. The City cannot however, provide sanitary sewer service to the proposed lot making it unlikely that the owner would pursue annexation into the City. Dane County will prohibit the further development of the parcel with a deed restriction through their Transfer of Development Rights Program.

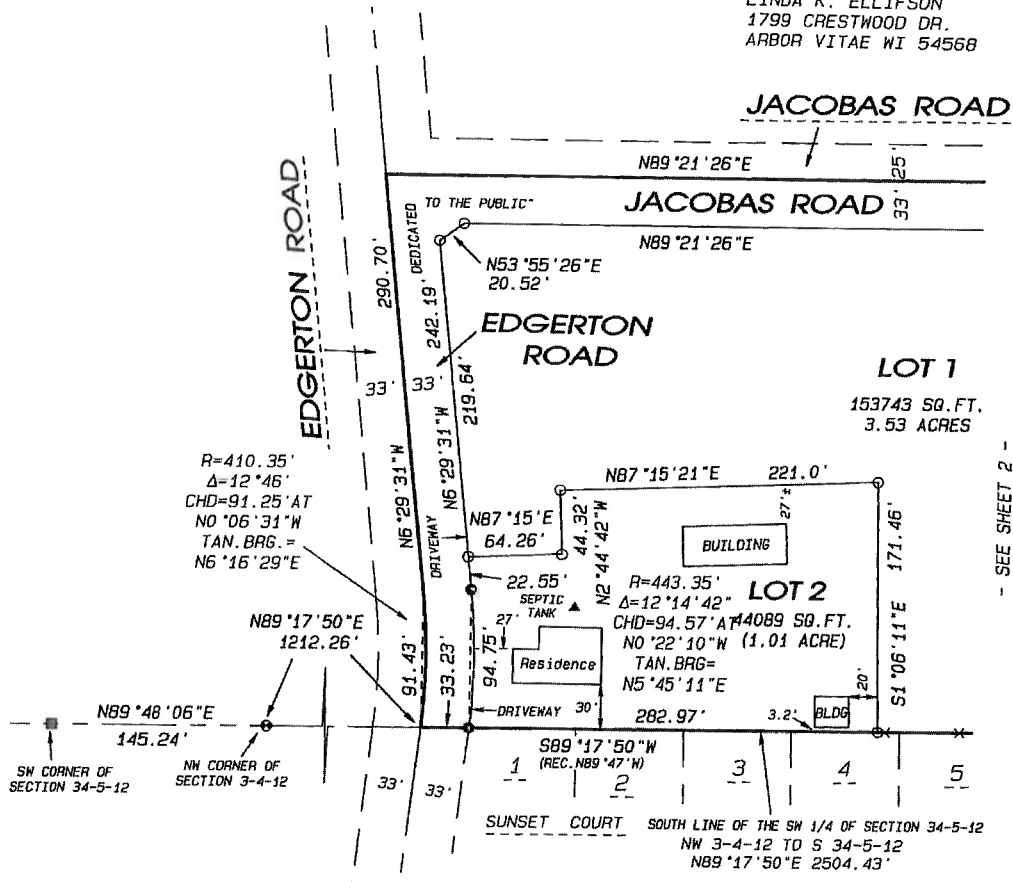

STAFF RECOMMENDATION

Staff recommends the Plan Commission recommend the City Council approve the proposed land division.
