

Public Involvement Meeting

**West Fulton Street
N Dallman Rd – WIS 59
City of Edgerton, Rock County
Project ID: TBD**

**Public Involvement Period:
May 3-May 17, 2022**

Project Team

- ▶ Zachary Pearson – Project Manager
 - WisDOT Southwest Region Local Program
- ▶ Ramona Flanigan – City Administrator
 - City of Edgerton
- ▶ Bill Betzig, P.E. – Consultant
 - Cedar Corporation

Objectives

- ▶ Project Location
- ▶ Existing Facilities
- ▶ Project Purpose and Need
- ▶ Current Deficiencies
- ▶ Project Details
- ▶ Costs
- ▶ Project Schedule
- ▶ Questions

Project Location

- ▶ The proposed project involves improving the asphalt pavement along West Fulton Street between N Dallman Rd and WIS 59 (approx. 0.5 miles).
- ▶ This segment of West Fulton Street is located on the west edge of the City of Edgerton in northcentral Rock County.

Project Location (Rock County GIS)

Existing Facilities

- ▶ The existing roadway (West Fulton Street) is a 2-lane urban roadway which serves primarily to connect rural areas west of the City of Edgerton, as well as industry along the north edge of the roadway, to WIS 59 and the City of Edgerton.
 - 2 12-ft. asphalt travel lanes; 8-ft. paved shoulders, and concrete curb and gutter
 - 66-ft. right of-way (33 ft. left and right of the centerline)
 - Posted speed limit of 25 mph
 - Land use in the vicinity of the roadway is primarily residential, commercial, and municipal.

Project Purpose and Need

- ▶ The purpose of the proposed action is to maintain and improve an important roadway in the local transportation system by addressing pavement deficiencies along West Fulton Street.
- ▶ The need of this project is to address pavement deficiencies along West Fulton Street within the project limits.
 - The existing pavement is showing signs of longitudinal and lateral cracking, as well as alligator cracking throughout.

Current Deficiencies

Pavement deficiencies

Proposed Improvements

- ▶ Remove and replace road core between existing curbs within the project limits.
 - Replace base course and asphalt pavement
 - Potential for limited storm sewer replacement, curb repairs
- ▶ If the project is awarded, construction is anticipated for summer of 2023.
- ▶ During construction, the project area would be closed to through traffic.
 - Access will be maintained to properties along West Fulton Street.
- ▶ No changes to speed limit are proposed.
- ▶ Asphalt travel lanes will remain 12 ft. wide; no changes to shoulders are proposed.
 - Outside edges of travel lanes will be identified as bike or shared lanes
- ▶ No new right-of-way or other real estate acquisitions are proposed.
 - All proposed work will take place within the existing curb and gutter of the roadway.

Costs

- ▶ If the project is chosen, funding will be provided by the Wisconsin Department of Transportation's (WisDOT) Bipartisan Infrastructure Law (BIL) Program.
- ▶ Federal funding will cover 80% of the anticipated construction and oversight costs, and the City of Edgerton will fund the remaining 20%. The City of Edgerton will be funding 100% of the design costs.
- ▶ The total cost for constructing this project is anticipated to be approximately \$950,000; the final cost will be based on final quantities for the project.

Public Involvement Schedule

- ▶ Public Involvement – May 3, 2022 to May 17, 2022
- ▶ In-person Public Involvement Meeting – May 17, 2022, 5:30-7:00pm
 - City of Edgerton City Hall
 - 12 Albion Street
 - Edgerton, WI 53534
